On behalf of Silent Voice Canada Inc., I am thrilled to announce some organizational changes to better align the various programs and services that we provide to our clients and families. Changes will take effect April 1, 2018. The following portfolio changes will be implemented for the two Program Director positions:

Mike Cyr, Director – Community Programs

- Sign Language Summer Program (SLSP) and KODA Camp
- Deaf Sports Program
- Deaf Children and Youth Outreach
- Deaf Adult Services and Programs

Megan Youngs, Director – ASL Family Education and Services

- Infant Hearing Program (IHP) ASL Services
- Family Communication Program
- ASL Resource Development (*new*)
- Parent Education Program

The objectives of these organizational changes are to:

- Keep ASL education services together – IHP ASL Services, the Family Communication Program, ASL Resource Development, and other such ASL education/assessment/consultation-related projects
- Keep family services together

With this organizational change, the two Program Directors will be working synergistically in providing well integrated services to our families and clients.

Should you have any questions, please feel free to contact Mike, Megan, or myself.
