

EDUCATION MINI-DOC PROJECT

# WE ARE LOOKING

FOR CANADIAN DEAF OR HARD  
OF HEARING ADULTS

I'm Kim Pelletier, a fourth year student in Education program at York University. For my field placement with Silent Voice, I will be working on a mini-doc project to compile a list of successful Deaf/Hard of Hearing adults in their respective professions across the country, Canada.

I am looking for interested participants who are open to sharing about their professions on video.
